

Unlock the Possibilities

INTRODUCING KWIKSET®
SMARTCODE™ Z-WAVE LEVER WITH
HOME CONNECT™ TECHNOLOGY

A new, smarter way to connect to your home. Home Connect Technology works by allowing your front door lock to wirelessly talk to other things in your house, such as the security system, lighting, thermostat, and entertainment system. This fully automated SmartCode Lever secures your home office, side garage door, storage room or any room you would like to keep locked with a new level of functionality that provides security and convenience.

Kwikset.

Home Connect™ Technology

Kwikset's Home Connect Technology enables the door lock to wirelessly communicate with other devices in the home.
