# How to Enable Alexa Voice Control

WEISER

There are two ways to enable Alexa voice control of your Weiser Halo Smart Lock:
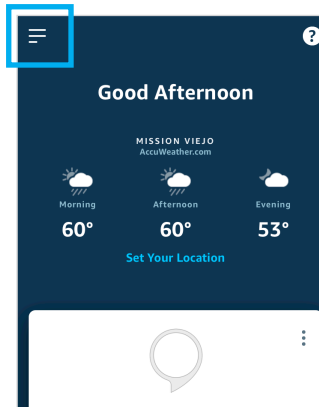

Method 1 - Linking the Weiser Smart Home skill

Method 2 - Adding a lock to your Alexa account

## Method 1 - Linking the Weiser Smart Home skill

**1** On your Android or iOS device, open the **Alexa** app.
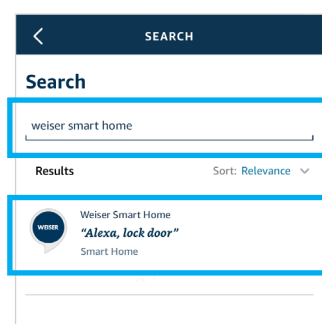

2 Tap on the hamburger menu.

3 Tap on **Skills and Games**.

4 Tap the search icon on the upper right of the screen.

5 Search for "**Weiser Smart Home**" and tap on it.

6 Tap **Enable to Use**.
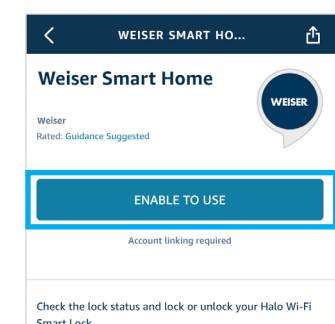

7 On the account linking page, enter your Weiser app username and password, then tap **Sign In**.
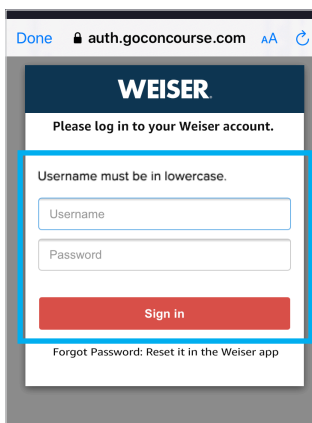

8 When the accounting linking is complete, tap the **X** in the top right corner to continue to device discovery.

9 Tap "**Discover Devices**" to show the newly discovered Halo devices that you can control using Alexa.

WEISER.

10 Wait while Alexa searches for your device.

Alexa is looking for devices to connect...

This may take up to 45 seconds

11 After your device is discovered, tap **Set Up Device**.

Alexa found a device called "Front Door"

1 Weiser Halo lock found and connected

Your lock has been added to your Alexa account. Next, continue setting up your device.

SET UP DEVICE

Home   Communicate   Play   Devices

12 You can tap **Skip** or tap **Choose Group** to add your device to a group.
