

WINTER TIRES REBATE PROGRAM  
TERMS AND CONDITIONS

**1. QUALIFIED CUSTOMERS:**

A Qualified Customer is a person who:

- a. Makes a qualified purchase between September 27<sup>th</sup> and October 10th 2013 (Qualified Sales Period) at a Canadian Tire store;
- b. Registers their purchase at [www.canadiantire.ca/freetires](http://www.canadiantire.ca/freetires) between September 27, 2013 and November 30, 2013 (no later than 11:59:59 PM ET) by entering their unique invoice number as printed on their Canadian Tire invoice; and
- c. Enters their contact information and accepts these Terms and Conditions.

Qualified Customers may be eligible for a partial or full refund of their purchase price, as indicated on the invoice, including applicable taxes, should the temperature requirements set out below be met in accordance with Environment Canada's designated recording stations on December 21, 2013 ("Recording Date"). Any other costs or expenses associated with purchase are not refundable.

**2. ELIGIBLE TIRES:**

Purchase and install four (4) winter tires as designated by the "Mountain Snowflake" and provided such tires are not returned or refunded, they shall be eligible for this rebate ("Qualified Purchase").

**3. TEMPERATURE AND RECORDING REQUIREMENTS:**

National Average Temperature requirements (excluding Nunavut, Northwest Territories and Yukon): The National Average Temperature is an average of the maximum daily temperature (excluding humidex and windchill) as recorded by Environment Canada at the Designated Recording Stations noted below on the Recording Date.

If one of the Designated Recording Stations specified below is not available, then the available maximum daily temperature recording from the Environment Canada Recording Location nearest the unavailable Environment Canada Recording Location will be used to determine the National Average Temperature.
