

Turbo II

Wet/Dry Dust Extractor

Order number:: 9 20 28 236 09 0

Powerful wet and dry vacuum cleaner for connecting power tools during workshop and installation use.

- High performance turbine for 151 cfm (71 l/s) flow rate and 98.4" of water lift (245 mbar vacuum).
- Low volume of 66 dB (A).
- large range due to 19 ft power cord and 13 ft vacuum hose.
- Large wheels rotate 360° for optimal maneuverability, even in tight conditions.
- Tool coupling with suction control for easy control of suction power.
- Autostart outlet with power-on delay to prevent current spikes.
- Practical storage area with rim.

Turbo II

Wet/Dry Dust Extractor

Order number:: 9 20 28 236 09 0

Technical data

Power consumption	1,100 Watts
Suction capacity	151 cfm
Static water lift	98.4 in
Capacity	8.4 gal
Weight according to EPTA	20.1 lbs
Cable with plug	19.7 ft
Corded	X

Price includes:

- 1 suction hose 4 m, 35 mm dia.
- 1 tool coupling with suction control
- 1 filter bag
- 1 Filter
