2015 Teacher Application

Helping Here.[®]

Purpose

Created in 2002, the H-E-B Excellence in Education® Awards are designed to honor outstanding public school professionals and to thank them for their dedication and commitment. Through this program, H-E-B seeks to pay tribute to those educators who go the extra mile each and every day to serve their students and their communities and who inspire others to do the same.

Eligibility

The following state-certified public school educators currently teaching within 60 miles of an H-E-B or Central Market Store are eligible for nomination:

- Public classroom teachers - grades Pre-K through 12
- Special area teachers performing instructional support services with students
- Team teachers are eligible to apply with the understanding that all monetary awards will be equally divided.
 - Each member of the team should complete the biographical information on the form and submit a résumé.
 - Essays may be jointly submitted.
- All applicants will be judged based on total years of experience in the classroom regardless of location.
- Teachers who have been previously selected as statewide winners are not eligible to re-apply until they have entered a new award category based on years of experience.
- Teachers that have been chosen as a statewide finalist must wait one (1) year before re-applying (ex: a statewide finalist in 2014 cannot re-apply until 2016).

Criteria

- Passion and commitment to the teaching profession
- Innovation and creativity in the classroom
- Professional growth and development

Evaluation Process

All written applications will be screened and scored by a team of professional readers. Regional finalists will be selected by a panel of judges comprised of educators, administrators and community leaders. There are five identified regions within the H-E-B service area and six (6) finalists will be selected from each area, one elementary and one secondary, in each of the three award categories.

Applications from the thirty (30) finalists will then be reviewed by the statewide selection committee. The committee will conduct personal interviews with each candidate during a special two-day event to be held in May 2015. The event will culminate with the announcement of six (6) overall statewide winners during a recognition dinner and celebration.

Awards

The thirty (30) regional finalists will be notified of their selection on their individual campuses beginning in February. During surprise visits from H-E-B officials and members of the community, each finalist will be presented with a check for \$1,000 for themselves plus a \$1,000 grant for their schools. In addition, each finalist will receive an all-expense paid trip to the awards celebration in May and a special reception in their honor.
