# Buttercup

"[A] few diversions from the theme emerge that offer a contrast. With [Buttercup], designers reveal a shining beacon transporting its wearer to a happier, sunnier place."

Leatrice Eiseman  
Executive Director,  
Pantone Color  
Institute™

# Fiesta

"A strong and fiery, yellow-based Red, the vivid Fiesta provides a stark contrast to the calming, softer nature of this season's palette."

Leatrice Eiseman  
Executive Director,  
Pantone Color  
Institute™

# Green Flash

"Green Flash calls on its wearer to explore, push the envelope and escape the mundane, radiating an openness that combines with the rest of the palette in unexpected but serendipitous ways."

Leatrice Eiseman  
Executive Director,  
Pantone Color  
Institute™

# Iced Coffee

"With its natural earthy quality, the softness and subtlety of Iced Coffee creates a stable foundation when combined with the rest of this season's palette."

Leatrice Eiseman  
Executive Director,  
Pantone Color  
Institute™

# Lilac Gray

"As in most any season, the need for neutrals arises. Essentially a basic, the subtlety of the lilac undertone in [Lilac Gray] adds a distinctive edge to this classic gray shade."

Leatrice Eiseman  
Executive Director,  
Pantone Color  
Institute™

# Limpet Shell

"Limpet Shell is clear, clean and defined. Suggestive of clarity and freshness, its crisp and modern influences evoke a deliberate, mindful tranquility."

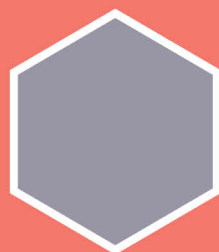

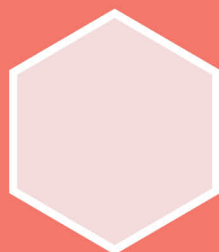

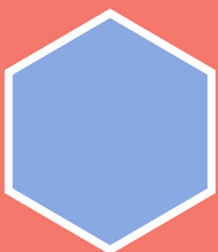

Leatrice Eiseman  
Executive Director,  
Pantone Color  
Institute™

# Peach Echo

“Peach Echo [is] a shade that emanates friendlier qualities, evoking warmth and accessibility. It is an all-encompassing, tempered companion in the playful orange family.”

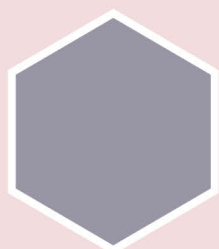

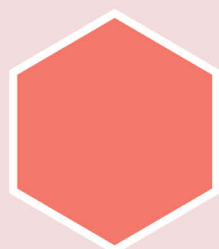

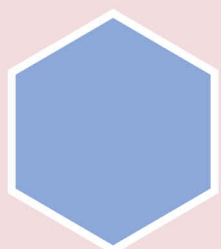

Leatrice Eiseman  
Executive Director,  
Pantone Color  
Institute™

# Rose Quartz

“Like a serene sunset, flushed cheek or budding flower, Rose Quartz reminds us to reflect on our surroundings during the busy but lighthearted spring and summer months.”

Leatrice Eiseman  
Executive Director,  
Pantone Color  
Institute™

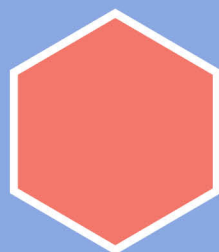

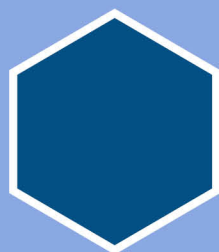

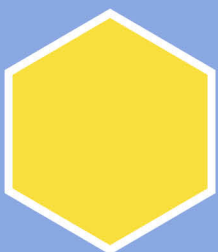

# Serenity

“Serenity comforts with a calming effect, bringing a feeling of respite even in turbulent times. A transcendent blue, [it] provides us with a naturally connected sense of space.”

Leatrice Eiseman  
Executive Director,  
Pantone Color  
Institute™

# Snorkel Blue

"The name alone implies a relaxing vacation and encourages escape. It is striking yet still, with lots of activity bursting from its undertones."
