A SOLID CASE FOR SELF EXPRESSION.

We craft Abigail to last from kiln-dried North America hardwoods and maple veneers. Our new finish palette is just as attentive to longevity, offering a range of classic wood tone and paint selections. On painted items, an optional hand-weathered effect combined with the artful application of contrasting tints projects a sophisticated appearance. Lived-in charm from the day it arrives.

FINISHES AND HARDWARE THAT COULD START A TREND.

Our wood tone finishes and paints offer numerous options to express your style. Choose “Vintage Weathered” on paint finishes to achieve a classic and well-worn appearance. It’s a subtle surface treatment coupled with a worn edge reveal – a white coat under all paint colors and an earthen brown coat under white paints. We’ll accentuate your choice with traditional hardware – bail handles with keepers in antique brass for wood tone finished items and antique white paint handles with brown undertones for painted furniture.

WOOD TONE FINISH WITH ANTIQUE BRASS HARDWARE

VINTAGE WEATHERED PAINT FINISH WITH ANTIQUE WHITE HARDWARE

The exaggerated shape and size of the traditional antique bail with keepers makes Abigail’s handles easy for even the littlest hands.
