INTREPID EXPLORER SEEKS RELAXING HOME BASE.

The cool lines and uncluttered appearance of Boardwalk™ project an upright sophistication and a relaxed confidence. The exact qualities one might find in a kid destined to go places. That's because Boardwalk is styled with members of the adventure set in mind.

A SOLID CASE FOR SELF EXPRESSION.

With your investment in mind, we craft each piece in Boardwalk from kiln-dried North American hardwoods and maple veneers. Our new finish palette is just as attentive to beauty and longevity. A hand-weathered effect, available in paint finishes, exposes the undercoat around soft corners and edges. The careful distressing and artful application of a contrasting tint “antiques” wood tone finishes to project a casual mood.

WELCOME TO ROBBINSVILLE, USA. HOME OF YOUNG AMERICA.

CRAFTING THE SAFEST furniture you can buy for your child is not easy, and it's not a job we take lightly. You might say craftsmanship is a way of life. And while it may sound quaint to

modern ears, this is a place where people value resources, materials, workmanship and time. We're proud of what we do here in Robbinsville, USA. To learn more, visit youngamerica.com/robbinsvilleusa.

The "curious adventurer" gene – it reveals itself early.

Safety always comes first at Young America where every single crib undergoes the independent, third-party scrutiny of Intertek Check. Their certification is your assurance that Young America is the safest children's furniture you can buy.

With safety assured, look to performance to find the perfect crib. Our crib complements any nursery's décor and also offers the valuable option of converting to a toddler bed when your child is ready. For a crib so versatile it can adapt for use into the tween and teen years, check out the Built to Grow™ crib – innovation that promises sweet dreams for a long, long time.

built to grow™

Watching your child grow is one of parenthood's great joys. Keeping up with that growth can sometimes be a source of frustration – and expense. We build Young America furniture so that it can grow along with your child. From infant's haven all the way through your teen's "personal space," our furniture is there, adapting to changing styles and needs.

Intertek

Intertek, the leading independent third party certification lab for safety and design, takes us beyond testing, by inspecting and certifying our products.

GREENGUARD Certification means all our cribs and beds have been independently tested to meet the most stringent chemical emissions standards in the world.

All Young America furniture is designed, engineered and manufactured in Robbinsville, North Carolina. Learn more at youngamerica.com/madeinusa.

You'll sleep easier when it's Young America.

With its Made in America quality and safety, its design innovation, and incomparable styling and finish options, Young America helps you create environments that are inspiring, safe, nurturing and healthy for your child. It is in these spaces your child will wonder, create, grow and ultimately become whatever he or she is meant to be.

A safe environment is a pretty big responsibility, and one Young America takes very seriously; so seriously that internal processes for safety testing and quality control surpass even the most stringent regulations set down by the Consumer Products Safety Commission. From the green initiatives for sourcing lumber, to the special formulation of paints and finishes that are sensitive to the indoor air quality, Young America, more than any other manufacturer, takes the safety of your child's personal space to heart.

Safety is in the details.

Storage Drawers -
a home for everything else!

An open-and-shut case of craftsmanship and ingenuity.

Easy to close. Easy to adjust. Easy to remove. Crafted with English dovetails in all four corners, our drawers also use state-of-the-art safety-limited extension Silent System slides. Give the drawer a gentle push and watch it self-close ... quietly, safely and kindly to little fingers. What's more, there's never been a drawer that's easier to remove. Adjusting it is a snap, too, so it's always centered, always looking good.

DIY Shutter Book Display!

Here's a clever way to put a wooden shutter to use in a way even a librarian may approve of. Books hung sideways are fun to look at and may be placed at just the right height. How many books can you fit, and what will we read together tonight? Learn how to make your own **Shutter Book Display** at blog.youngamerica.com.

THE RIGHT STUFF. STORAGE GALORE!

Toddler to teen – do they ever have the space to store their stuff? They do now. Beds, dressers, tables, desks, hutches and bookcases, all of it ingeniously engineered to accommodate what they accumulate.

The alternative to giving him proper storage space? Chaos. Let our solutions keep it under control.

Build your own storage!

The accumulation of stuff – it starts before baby and mom come home from the hospital and never really stops. Give it all a home with our inspired, innovative wall units. Aside from the volumes of storage, you can tuck pieces into the wall units to stay ahead of your child's evolving needs: from a dresser with changing station, to a single bed, to a desk and chair perfectly sized for late-night study sessions. Every year, more new stuff. We're ready.
