A nod to another era,
CRAFTED FOR TODAY.

TOP: Rich embellishments, such as intricately hand-carved coin details on the head and footboard, set apart the Sleigh Bed.

BOTTOM: Melding equal parts substance and elegance, the fully-turned bun feet add another level of distinction.

ELEMENTS OF STYLE

finish / wood characteristics

British Colonial provides two luxurious finish selections—Dark Shell and Caribe. Dark Shell is evocative of the deep toned hardwoods traditionally associated with the collection's inspiration. Caribe is a more mid-range shade that is still rich with the appeal of the tropics.

hardware

Metal knobs featured on British Colonial designs are subtle adornments echoing the abundant decorative details found throughout the collection. The knobs have a tarnished brass patina.
