finish / wood characteristics

Louis Philippe is available in two finishes, Burnished Honey and Orleans. Both finishes infuse every piece with a sense of touch and visual dimension. Burnished Honey is a mid-tone option with a warm and hearty allure, while Orleans offers a darker take on a cherry finish, which is both refined and intimate. Both finishes are completed by a build-up of rubbed English paste wax to craft a rich shine and smoothness.

hardware

Featuring an antiqued bronze finish, Louis Philippe's hardware perfectly matches its classic charm. A shield and key knob is an eye catching detail, while the bail pulls are a fluid interpretation of the timeless style.
