Pull up a chair in celebration of
GOOD TASTE.

TOP: Distressing details on the tabletop are subtle, but honest, evidence of the craftsman's handiwork.

MIDDLE: Hand-set the table's mechanism to any of three heights; a locking key secures it.

BOTTOM: The hand-carved back of the bar stool—arresting to the eye, pleasing to the touch.

finish / wood characteristics

Artisan offers two intense finish selections, Barrel and Ebony. Barrel exhibits craftsman touches through a variety of distressing techniques, while Ebony imparts a vintage charm through burnishing around the edges.

hardware

Simplicity defined, Artisan’s unadorned knob and pull hardware are the ideal accompaniment to the collection’s understated appeal. Finished in a tarnished brass patina, the hardware completes the journeyman aesthetic that pervades the collection.
