

**Toddler Bed Assembly Instructions for Stationary Side Crib
IMPORTANT - RETAIN FOR FUTURE REFERENCE - READ CAREFULLY**

Model Number:
STK-3435 Toddler Bed Conversion Kit

Your little one will sleep securely in this youngAmerica Toddler Bed. Proper assembly will ensure every effort has been made to design this bed with your child's safety in mind. It is certified to meet all safety guidelines established by ASTM International and the CPSC-Consumer Product Safety Commission.

Thank you for purchasing a youngAmerica Toddler Bed. If you find that you are missing a part or if a part is defective in any way, contact your youngAmerica retailer for assistance.

WARNING: FAILURE TO FOLLOW THESE WARNINGS AND THE ASSEMBLY INSTRUCTIONS COULD RESULT IN SERIOUS INJURY OR DEATH.

- When child is able to pull to a standing position, set the mattress to the lowest position and remove bumper pads, large toys and other objects that could serve as steps for climbing out.
- When a child is able to climb out or reaches the height of 35 in. (90 cm), the crib shall no longer be used.
- **DO NOT** place a crib near a window where cords from blinds or drapes may strangle a child.
- To reduce the risk of SIDS, pediatricians recommend healthy infants be placed on their backs to sleep, unless otherwise advised by your physician.
- To help prevent strangulation tighten all fasteners. A child can trap parts of the body or clothing on loose fasteners.
- **Strings can cause strangulation!** Do not place items with a string around a child's neck, such as hood strings or pacifier cords. Do not suspend strings over a crib or attach strings to toys.
- Before each usage or assembly, inspect crib for damaged hardware, loose joints, missing parts or sharp edges. **DO NOT** use crib if any parts are missing or broken. Contact your dealer or write to Stanley Furniture, 200 North Hamilton St, No. 200, High Point, NC 27260 for replacement parts and instructional literature if needed.
- **DO NOT** substitute parts. Use only bolts or parts supplied by manufacturer or parts of comparable quality and equal dimensions. Do not allow ends of bolts or sharp edges to be exposed.
- Follow warnings on all products in a crib.
- If refinishing, use a non-toxic finish specified for children's products.
- Infants can suffocate on soft bedding. Never add a pillow, comforter or padding. Never place additional padding under an infant.
- Infants can suffocate in gaps between crib sides and a mattress that is too small.
- Never use plastic shipping bags or other plastic film as mattress covers because they can cause suffocation.
- Do not allow child to crawl or play underneath crib.
- Use caution when a vaporizer is in use. Always aim the vapor steam away from the crib as well as away from any other wood furniture item.
- The crib must be fully assembled prior to use.
- Read all instructions before assembling crib. **KEEP INSTRUCTIONS FOR FUTURE USE.**

- **CAUTION:** Any mattress used in this crib must be at least 27-1/4" by 51-5/8" with a thickness of no less than 4 inches and not exceeding 6 inches.

When Converting to a Toddler Bed:

- **NEVER** use bed with children under 15 months of age.
- The maximum weight of the intended user shall not be greater than 50 lb (22.7kg).

Identifying the Parts

The conversion kit illustrations in these instructions are generic in nature. The conversion kit you have purchased may not look like the ones illustrated; however, they all assemble in the

Toddler Bed Safety Rail

Identifying the Hardware

Identify the hardware included using the illustrations below

1 Connector Bolt
2'' (1/4 x 20 thread)

4 Bolts 3/4'' (1/4 x 20 thread)
4 Caps (3/4'') (1/4'' x 20 thread)

4 Flat Washers

2 Safety Rail Brackets

2 Allen Wrenches

Toddler Bed Assembly

NOTE: Read all instructions before assembling toddler bed. KEEP INSTRUCTIONS FOR FUTURE REFERENCE.

Attached to the mattress platform is a sleeve to store the instruction booklet. After assembly is complete, place this instruction booklet in the sleeve for future reference.

This toddler bed conforms to the ASTM International and the CPSC-Consumer Product Safety Commission guidelines for product safety. Please adhere to the guidelines in this booklet for assembly, operation and maintenance.

Note the recommendations below:

- Power tools are not recommended for assembly.
- Give yourself plenty of room to work.
- Due to the size of this bed, it must be assembled in the space it will occupy.
- The assembly will take two people to complete.
- Layout all the hardware and make sure that the proper length bolts are used in the designated areas.
- Do not substitute hardware. If an item is missing or damaged contact Stanley Furniture Company immediately for replacement. Inspect all component parts and hardware prior to beginning the assembly process.
- Make sure all fasteners are tight.
- Above all, take your time and read the instructions carefully.

Tools required for Assembly:

- Allen Wrenches (provided)

Converting Your Crib

Step 1:

- Before attaching the Toddler Bed Conversion Kit your Crib must be converted to a Daybed with the Mattress Platform in the lowest position. See Figure 1. Refer to page 13 in your Crib Instruction Booklet. Do not reattach the Crib Side.
- If the Mattress Platform is already in the lowest position it is recommended that you remove the Mattress Platform before attaching the Safety Rail to allow easier access to the Base Rail of the Crib.
- Remove the Crib Side. Refer to page 13 in your Crib Instruction Booklet.
- Remove the (4) 2 3/8" Connector Bolts that attach the Mattress Platform to the Mattress Brackets with the provided wrench and lift the Platform out of the Crib. Place the Platform and the (4) Connector Bolts to the side so that they can be reattached later. See Figure 2.
- Figure 3 illustrates how your converted Crib should look at this point.

Figure 1.

Figure 2.

Figure 3.

Attaching the Toddler Safety Rail

Figure 4.

Step 2:

- The Toddler Bed Safety Rail may attach to either end of the converted Crib to best fit in your room.
- Align the hole in the end of the Toddler Bed Safety Rail with the hole in the desired Crib End. Insert (1) 2" Connector Bolt from the inside of the Toddler Bed Safety Rail into the Crib End and securely tighten with the provided wrench. See Figure 4.

Figure 4
Enlarged
View.

Attaching the Toddler Safety Rail

Step 3:

- Slide the Safety Rail Brackets through the saddle brackets in the Base Rail. See Figure 6. (Note: It may be easier to work from the inside of the bed.)
- Attach the Safety Rail Brackets using (2) $\frac{3}{4}$ " Connector Bolts, (2) $\frac{3}{4}$ " Caps, and (2) Flat Washers. Tighten with the provided Wrenches. See Fig. 7.
- Place the Mattress Platform back into the Mattress Brackets and insert the (4) $2 \frac{3}{8}$ " Connector Bolts. Tighten completely with the provided wrench. See Figure 8.

Figure 6.

Figure 7.

Figure 8.

Final Step

Step 4: (The final and most important) Checklist.

- Inspect the bed once again to assure that all bolts are tight and that no hardware is missing. (if you are missing hardware, contact Stanley Furniture immediately for replacement and do not use the bed until the new hardware arrives).
- Do not place the bed near a window where the child may have access to window coverings, cords or draperies as these articles pose a strangulation hazard.
- Place the instructions in the holder provided. **KEEP THE INSTRUCTIONS WITH THE BED.**
- Install the crib mattress.
- Follow all the warnings on the use of this bed and all products in the bed.
- **CAUTION:** Any mattress used in this bed must be at least 27-1/4" by 51-5/8" with a thickness of no less than 4 inches and not exceeding 6 inches.

Conversion from Toddler Bed to Daybed.

Your Toddler Bed can be converted to a Daybed by removing the Toddler Safety Rail. Refer to pages 6 and 7 of this instruction booklet.

Cleaning:

Mix together a mild solution of gentle dishwashing liquid and water, apply to the Toddler Bed surface using a soft clean cloth lightly dampened in the solution. Rinse with clear water, using a lightly dampened, soft clean cloth, then dry all surfaces thoroughly with a dry cloth. **NO ABRASIVE CLEANERS, SCOURING PADS, STEEL WOOL OR COURSE RAGS SHOULD BE USED TO CLEAN THIS FINE FURNITURE.**

Storage:

A permanent storage pouch is attached to the mattress platform for the storage of the assembly instructions. After completing the assembly process, you are advised to read and be aware of all **WARNINGS, CAUTIONS, CLEANING, STORAGE, USE AND MAINTENANCE** notices contained in these instructions. Do not to place excess hardware in the storage pouch as it could present a danger to a child if retrieved and could also damage the mattress. When storing the Toddler Bed, use **CAUTION** as temperature changes and humidity could be harmful to the Toddler Bed. It is recommended that the Toddler Bed be stored in a temperature controlled environment.

Periodic Maintenance:

1. Periodically check to make sure all bolts and connections are fastened securely.
2. If you are missing a part or need a replacement part, do not substitute parts. Ask your dealer for replacement parts or contact Customer Service at (800) 659-7297.
3. Save these instructions, in the sleeve attached to the mattress platform, in the event you disassemble the Toddler Bed and need to reassemble it. These instructions will also be useful in identifying replacement parts if needed at a future date.
