# SHELTER ISLAND®

ESCAPE TO A PLACE where warm breezes and summer sun caress you. Put aside the hustle and bustle of everyday demands. Relax and enjoy the simple beauty of your surroundings, those of Shelter Island furnishings. This is furniture that captures the casually elegant sensibilities of its namesake in the Hamptons area of Long Island.

Shelter Island offers unique, versatile pieces with charming details, such as bead board, statement posts, crown moldings and curved drawer fronts. Deep, almost black, marimba wood and crisp refreshing white piano key lightly distressed finishes adorn pieces that stand well alone, but can be artfully mixed. Hardware, in antique bronze on the marimba and frosted pewter on the white piano key, perfectly complements the respective finishes.

As you examine the remarkable pieces in this collection, you'll appreciate the masterful workmanship throughout. Each piece is designed to make a statement about you and your good taste.

Best of all, because Stanley Furniture builds exceptional quality into Shelter Island at every step of the furniture-making process, you can be sure the selections you make today will remain a treasured part of your life for years to come.
