TRE VENTITM SERAFINA[®]

TRAVEL BACK IN TIME to the grandeur of Old World Italy with the Tre Venti and Serafina home collections. Proportioned for generous spaces and designed with an array of hand-crafted ornate details, these designs reflect all the elegance and charm Europe offers.

Romanesque arches, canted columns with octagonal fluting and hand-forged metal filigree accents are just a few of the elements of Italian design that lend Tre Venti and Serafina their luxurious and distinguished allure. Marble—in either earth-tone natural or noir St. Laurent—adds even more expression to the collection, as does the use

of sumptuous velvet and rich damask fabrics. Finally, Tre Venti and Serafina's transparent finishes allow the glory of the wood grains to shine through, whether it is the frosted almond finish and swirled ash burl of Serafina or the caramel coated pecan veneer and oak cluster burl of Tre Venti. Decoration and function live in perfect balance through the finishing details of the collections, from the generous ring pulls and ribbon and the quilt-like carved metal bale pulls finished in dusted matte pewter or antique bronze.

Best of all, because Stanley Furniture builds exceptional quality into Tre Venti and Serafina at every step of the furniture making process, you can be sure the selections you make today will remain a treasured part of your life for years to come.
