WELCOME TO ROBBINSVILLE, USA.

HOME OF YOUNG AMERICA.

CRAFTING THE SAFEST furniture you can buy for your child is not easy, and it's not a job we take lightly. You might say craftsmanship is a way of life. And while it may sound quaint to

modern ears, this is a place where people value resources, materials, workmanship and time. We're proud of what we do here in Robbinsville, USA. To learn more, visit youngamerica.com/robbinsvilleusa.

A SOLID CASE FOR SELF EXPRESSION.

Northern hard white maple with select hardwood solids and white maple veneers give this collection its strength. Now you give it heart. Style it in a range of hand-rubbed stains and paint options that include Sand Thru, an aging effect around soft corners and wood drawer pulls.

You'll sleep easier when it's Young America.

With its Made in America quality and safety, its design innovation, and incomparable styling and finish detail, Young America helps you create environments that are inspiring, safe, nurturing and healthy for your child. It is in these spaces your child will wonder, create, grow and ultimately become whatever he or she is meant to be.

A safe environment is a pretty big responsibility, and one Young America takes very seriously; so seriously that internal systems for safety testing and quality control surpass even the most stringent regulations set down by the Consumer Products Safety Commission. From the green initiatives for sourcing lumber, to the special formulation of paints and finishes that are sensitive to the indoor air quality, Young America, more than any other manufacturer, takes the safety of your child's personal space to heart.

THE RIGHT STUFF. STORAGE GALORE!

Toddler to teen – do they ever have the space to store their stuff? They do now. Beds, dressers, tables, desks, hutches and book cases, all of it ingeniously engineered to accommodate what they accumulate.

The alternative to giving him proper storage space? Chaos. Let our solutions keep it under control.

A PLACE FOR EVERYTHING!

The accumulation of stuff – it starts before baby and mom come home from the hospital and never really stops. Give it all a home with our inspired, innovative wall units. Aside from the volumes of storage, you can tuck pieces into the wall units to stay ahead of your child's evolving needs: from a dresser with changing station, to a single bed, to a desk and chair perfectly sized for late-night study sessions. Every year, more new stuff. We're ready.
