COLORFULLY CAREFREE?
THAT'S SWEET!

Such a busy world out there, keeping up with friends and school. Who doesn't crave a laid-back retreat that feels lived-in and well-loved, a place to relax and be oneself? The classic styling and unhurried air of myHaven is just such a place; confidently defying the whims of fashion with functional intelligence and a personality that plays well in almost any décor. How cool is that?

A SOLID CASE FOR SELF EXPRESSION.

Select hardwood solids and white maple veneers give this collection its strength. Now you give it heart. Style it in a range of durable wood tone and paint options that include Sand Thru, an aging effect around soft corners and wood drawer pulls.

SAFETY FIRST,
SECOND AND THIRD.

Intertek

Intertek, the leading independent third party certification lab for safety and design, takes us beyond testing, by inspecting and certifying our products.

GREENGUARD Certification means all our cribs and beds have been independently tested to meet the most stringent chemical emissions standards in the world.

All Young America furniture is designed, engineered and manufactured in Robbinsville, North Carolina. Learn more at youngamerica.com/madeinusa.

You'll sleep easier when it's Young America.

With its Made in America quality and safety, its design innovation, and incomparable styling and finish options, Young America helps you create environments that are inspiring, safe, nurturing and healthy for your child. It is in these spaces your child will wonder, create, grow and ultimately become whatever he or she is meant to be.

A safe environment is a pretty big responsibility, and one Young America takes very seriously; so seriously that internal systems for safety testing and quality control surpass even the most stringent regulations set down by the Consumer Products Safety Commission. From the green initiatives for sourcing lumber, to the special formulation of paints and finishes that are sensitive to the indoor air quality, Young America, more than any other manufacturer, takes the safety of your child's personal space to heart.

An open-and-shut case of craftsmanship and ingenuity.

Easy to close.
Easy to adjust.
Easy to remove.
 Crafted of solid wood with English dovetails in all four corners, our drawers also use

state-of-the-art Silent System slides. Give the drawer a gentle push and watch it self-close ... quietly, safely and kindly to little fingers. What's more, there's never been a drawer that's easier to remove. Adjusting it is a snap, too, so it's always centered, always looking good.

ONE GREAT IDEA

ON TOP OF ANOTHER.

Tweens become teens ... siblings grow up, get their own room, others leave for college ... one chapter ends, a new one begins. When you sign on for the family experience, change is certain. We'll help you prepare with inspired solutions for sleep and storage.

WORKSPACE.

Experts say it's easier to concentrate in a comfortable, well-organized space. Let's assume that applies whether he's wrestling with homework or figuring out the chorus. Either way, myHaven has the pieces to create the ideal environment; imaginative, smart-looking furniture that can carry the workload, if not a tune.
