To: Pure Fishing

I would like to submit an idea, product, or invention to Pure Fishing for their review and potential commercial consideration. In exchange, I have read and understand the following terms and conditions, and I agree that my submission is made under those terms and conditions. I am submitting this as:

[] A patented, or patent-pending, invention I wish to sell or license to Pure Fishing. I realize my submission alone DOES NOT create such a sale or license, nor does it create any obligation by either party to enter into a sale or license. I further agree that this submission DOES NOT create a confidential relationship between the parties. My invention is covered by the following issued or pending patents:

[] An idea I wish to give to Pure Fishing with NO EXPECTATION OF COMPENSATION whatsoever. The best of my knowledge, I am the originator of the idea and I have the legal right to submit it to Pure Fishing. Further, I confirm I am herein relinquishing any rights I may have, or had, to compensation from Pure Fishing or any of its related entities regarding this idea. I further agree that this submission DOES NOT create a confidential relationship between the parties. My idea is:
