Thrill Machine

The Thrill machine sanitizes glassware in seconds and keeps drinks cooler longer without watering down or altering the flavor and aroma of beverages. A glass that has been properly cleaned and sanitized enhances the overall taste experience.

The invisible residue that remains after washing may adulterate the taste and odor of drinks, compromising the quality of the products served. With Thrill, it takes just a few seconds to thoroughly sanitize and chill the glass, leaving the product completely free of any unpleasant odors or aftertaste.

Thrill Tabletop, Silver
7.88" x 10.12"
6054534 1 cs

CO₂ Requirements: The Thrill Tabletop operates using food grade CO₂ for sanitization and chilling (sold separately). In order to ensure an efficient and effective level of sanitation and cooling the cylinders used must be fitted with a syphon tube. 20 Lb CO₂ tank recommended. Please consult local CO₂ provider for proper requirements.

WNK Diva Induction Chafers

Simple and contemporary in design, the WNK Diva Induction Chafers are the perfect solution for your buffet presentation. Capitalizing on the current market trend of induction heating, these clever chafers allow for better heat distribution and prevention of hot spots. Alternatively, these chafers can be used with a space-saving, stackable stand with fuel or electric heat to offer a different option for the buffet. Featuring 18/10 stainless steel and a tempered glass lid with brass alloy braking system, the Diva chafers are sure to impress.

Creations Wood Serving Boards creati@ns

These innovative wood serving pieces are now offered in an even larger array of styles. Prepared from either acacia wood or olive wood, these pieces are designed to resist the penetration of liquids, stains and odors. Adopt these unique serving boards as an alternative to traditional plating and add drastic dimensions to the total presentation.
