Home office furniture that's safe, stylish, and affordable

Cabot - Heather Gray

Commercial-grade office furniture is great, but we know it's not a requirement for everyone. Bush Furniture provides workspace solutions that emphasize style and affordability for those who don't need a heavy-duty home office for their daily tasks.

With more and more people switching to a hybrid work schedule, the demand for stylish desk, chair, and storage solutions has never been higher. Our residential furniture collections are ideal for anyone seeking a part time workspace that flows with the vibe of their home.

Key West | Pure White Oak

Bush Furniture offers an array of design and finish options to complement virtually any residential space. Check out the **Key West Collection's** modern farmhouse charm, the **Somerset Collection's** appealing transitional styling, the traditional elegance of the **Cabot Collection**, and much more.

These products have been tested to meet or exceed ANSI/SOHO quality standards for home office use, meaning they're a safe choice for spaces shared with children and pets.

Be sure to contact your rep for more information or to discuss pricing!

Please note: Bush Furniture's residential collections are not eligible for professional installation.

CABOT

The simple design of the Cabot Collection offers comfortable elegance and ample storage with smart technology integration.
