ARCHITECTURAL *Style Guide*™

Architectural styling is deeply influenced by minimalism and simplicity. Form follows function. Understated colors, with an emphasis on neutral tones are combined to produce a style that is sophisticated, yet appealingly warm. Clean crisp lines and satiny fabrics are a part of this modern style because they easily mix with furnishings and accessories from different fashion periods. Bend the rules of design with this flexible approach to dressing your home.

Choosing from a wide variety of office and home office furniture is exciting. Our travels around the world have opened our eyes to color, design and many wonderful cultures throughout the globe. These experiences have helped us develop our Style Guides™ giving you the opportunity to choose furniture that expresses your personal style.

We offer Quick-to-Assemble technology, specially designed for you throughout many of our collections for easier, faster assembly and a wonderful experience overall. Enjoy these products that are made to last with three-year warranties from *kathy ireland*® Home by Bush Furniture.
