ALOHA™ *Style Guide*

The Royal Spirit of Hawaii is beautifully captured in this style. Inspired by the historic Lolani Palace and the warm climate of island living, we are reminded that regal beauty need not stray from comfort. Aloha styling uses colors from nature and unique textures of the tropics to embrace casually elegant living. The blend of lights and darks as well as bright and subtle shades is a cornerstone to this very beautiful, free-spirited style. It makes home your exquisite retreat.

Choosing from a wide variety of office and home office furniture is exciting.

Our travels around the world have opened our eyes to color, design and many wonderful cultures throughout the globe. These experiences have helped us develop our Style Guides™ giving you the opportunity to choose furniture that expresses your personal style.

We offer Quick-to-Assemble™ technology, specially designed for you throughout many of our collections for easier, faster assembly and a wonderful experience overall. Enjoy these products that are made to last with three-year warranties from *kathy ireland*® Office by Bush Furniture. Bush Industries is a leading and prestigious manufacturer with a 60-year successful history.

kathy ireland® Worldwide missions are:

“...solutions for families, especially busy moms.”™

“...soluciones para familias especialmente madres ocupadas.”™

“...solutions for people in business.”™

“...soluciones para gente de negocios.”™

Fashion, Quality, Value and Safety™ are our four promises to you.

Each design is tested to meet the highest industry standards. In many of our products, we provide child safety features including rounded edges and soft close hinges.

We have confidence that you'll find *kathy ireland*® Office by Bush Furniture a wonderful fit for your home and office.

You may also experience coordinating lighting, flooring, accessories and other beautiful designs throughout our other brands that will complete your personal environment.
