

SHE SHEDS

Man caves, move over! There's a new trend in town, and she's ready to run the world. Whether building a she shed, babe cave or zen den, keep these essentials in mind when creating your perfect space.

WORKSPACE

Say goodbye to the stuffy cubicle and enjoy this open and airy office space. A small desk and ergo-chair are the perfect office assistants.

SHE STUDIO

Escape from the day with your own bright and cheery studio space. Add storage and accessories that are both fun and functional.

GUESTHOUSE

Channel your inner country girl with this cozy cabin. Natural wood influences combine with soft blankets to create a mini retreat for guests.
