Exclusively at **jordan's**

Experience restorative sleep with this Medium mattress featuring a high-density gel memory foam, plus a refreshingly cool cover and contouring memory foams for premium support.

Cooling comfort

CoolFeel® Fabric - A cool-to-the-touch cover that offers cooling directly from the mattress surface, so you can fall asleep faster

Pressure relief

EverCool® Max Memory Foam - This premium, high-density, cooling memory foam is designed with a more substantial feel for greater durability, and enhanced pressure relief for deeper conforming comfort

Deep Reaction Max Gel Memory Foam - A layer of high-density gel memory foam contours to your body, helping reduce pressure while maintaining a stable, supportive feel

Durable support

Active Balance Support Foam - A layer of support foam helps provide the ideal balance of cushioning and support for refreshing sleep

Serta® Foam Core - Premium, high-density foam core offering consistent, durable support for all-night comfort
