

perfect dream

Exclusively at jordan's

Experience restorative sleep with this Plush mattress featuring premium, high-density, cooling memory foam, plus a refreshingly cool cover and contouring memory foams for premium support.

Cooling comfort

CoolFeel® Fabric - A cool-to-the-touch cover that offers cooling directly from the mattress surface, so you can fall asleep faster

Pressure relief

EverCool® Supreme Memory Foam - A dynamic cooling, high-density memory foam offering conforming comfort and durability for all-night pressure-relief

EverCool® Max Memory Foam - This premium, high-density, cooling memory foam is designed with a more substantial feel for greater durability, and enhanced pressure relief for deeper conforming comfort

Durable support

Active Balance Support Foam - A layer of support foam helps provide the ideal balance of cushioning and support for refreshing sleep

Serta® Foam Core - Premium, high-density foam core offering consistent, durable support for all-night comfort
