

MOTO HOME BOX OWNER'S MANUAL

Introduction

Moto Home Box syncs Moto audio furniture with your TV for lag-free sound. Broadcast Mode connects Moto furniture within **30 ft** and integrates with existing soundbars or audio systems. Connect via optical or AUX. Both IN and OUT ports support pass-through.

Set Up

What's in the Box:

Moto Home Box x1 Power Supply Cable x1 5 ft Digital Optical Cable x1 5 ft AUX Cable x1

Connect to TV via:

1. Digital Optical Cable (Most Common)
2. 3.5mm AUX (RCA-to-3.5mm converter for RCA outputs)

Connection

Before You Start:

1. If your TV is already connected to your soundbar or audio system, disconnect it first.
2. Make sure no other audio devices are connected to your TV.

Step 1: Set the Power

Insert the USB-C end of the power supply cable into the POWER port on the back of the Moto Home Box, and plug the USB-A end into the USB port on your TV.

Next, determine how you would like to connect the Moto Home Box to your TV.

Option 1 : Digital Optical Cable

Step 2: Connect Your TV to the Moto Home Box

Single-press BROADCAST MODE until the OPTICAL indicator light turns BLUE . Plug one end into the TV's optical output, and the other into the OPTICAL IN port on the Home Box.

When using a digital optical connection, set your TV's audio output format to **PCM**.

Step 3: Connect the Moto Home Box to Your Soundbar or Audio System

Plug one end into the OPTICAL OUT port on the Moto Home Box, and the other into the soundbar or audio system optical input.

Option 2 : Aux Cable

Step 2: Connect Your TV to the Moto Home Box

Single-press BROADCAST MODE until the AUX indicator light turns BLUE. Plug one end into the TV's audio output jack, and the other into the AUX IN port on the Home Box.

Step 3: Connect the Moto Home Box to Your Soundbar or Audio System

Plug one end into the AUX OUT port on the Moto Home Box, and the other into the soundbar or audio system input.

Step 4: Turn on Broadcast Mode on the Moto Home Box

Double-press the BROADCAST MODE button until the indicator light turns RED.

Step 5: Turn on Broadcast Mode on Your Moto Audio Control

Double-press the button on the audio control box in the sofa or recliner until its indicator light also turns RED.
